Task: Homework Pack -Term 2, page 26 and 27.

TIMSS STYLE QUESTIONS:-

Six hundred books have to be packed into boxes that hold 15 books each. Which of the following could be used to find the number of boxes needed?

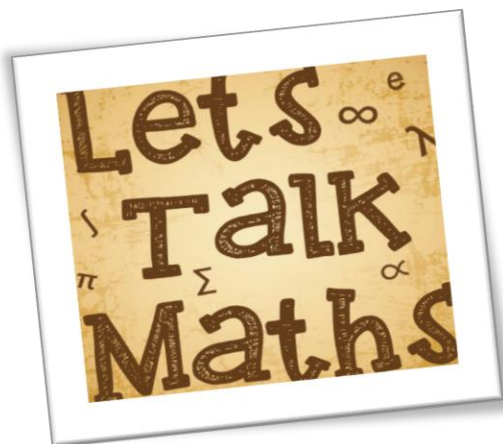

- A) add 15 to 600
- B) subtract 15 to 600
- C) multiply 600 by 15
- D) divide 600 by 15

Challenge Task:

Let's learn and practice your multiplication with set of Time Table Spinner. Create the spinner using any recycle material. Use the below link to see how to make it.
